“ Jim and I played music together for many years. He often had the whole band laughing to the point of tears. He was a great friend who will be missed. Condolences to his family. Prayers and blessings.

“ Our families were neighbors in Sisseton and at Clear Lake. All “us kids” had lots of good times together. Jim was one of the guys who slept in the loft of the Barn, which was not an easy assignment! Jim always had a lot of energy and was busy with big brother John every day. I’m sure he will be missed by your family.

*Waaaay back in first grade, my dad came to our classroom to pick me up and Jim said "Your dad is a giant!" My dad was 6'2", I still get a chuckle when I think of that.
My sympathies to all for your loss.*
