“ I just found an old email from 2011. Jim would take images of gravestones and enter them into findagrave so people could locate the graves of their lost family. I took photos of lots of Pierce graves, he entered them. Lots of people enjoy his work from that era!. He was a joy to photograph for. I had loads of fun.

“ Jim's Grandmother lived next door to our neighbor, the Petersens. Jim, the four Petersen children, Schilousky children and others in the neighborhood played together and joined together in Petersen's back yard for Birthday Parties and such. Jim attended Ewing High School. My cousin, Jeannie, snagged Jim to be her husband and they had a beautiful family together. Jim served our country in the Navy. He would bring Mom pictures of his flowers as he was a very good photographer. He gave Mom information to put in her genealogy book which I printed up later. He was a fine man and will be missed by all.
