“ Jan's daughter Nicole (Nikki) is one of my best friends. Though I only met Jan and Roy a couple of times in person, through Nikki I got to know Jan's incredible love for all of her children and her passion for life and caring for all those around her. I remember at Nikki and Todd's wedding how proud Jan and Roy both were and the joy they shared in celebrating one of their children. Jan was special in so many ways, through her marriage to Roy she chose to be mom to all their children, a role that was so natural to her. I'm sure she would not have had it any other way.

*Sending Love and Hugs to the Krueger and Mittlestaedt families.

“ I spent many summers with Aunt Jan and Uncle Roy and my cousins. Those were the best memories of my childhood. Aunt Jan was very crafty and we used to have so much fun painting indian figurines and making beautiful blankets. I remember picking veggies from the garden and eating delicious dinners. I especially loved the fresh radishes that we would munch on. I would always make the road trip with my grandma Lois but would end up staying longer and flying home because I wouldn't want to leave. I wish I could turn back time and do it all over again. I love you all!! Love Magen
