*Rest easy Janell. We're all thinking of you!*

“ Working with Janell was always interesting. She was always a driver when things needed to get done and she had a way of making the work fun.(As fun as work can be). She cared about the Veterans and worked extremely hard to care for them. I am blessed to have had the opportunity to both have gone to school with her and then work with her for several years. She will be missed.
