“ *Jason was one of the nicest guys I have ever met. I worked with him at SGA in Wichita and he was always willing to help. I lost my dad the same week and was just informed that Jason passed around the same time. He was one of the good guys and will be missed. My thoughts and prayers are with you Deanna. “ Deanna, I have been thinking of you so much the last several days and weeks. You and Jason are the strongest, most courageous people I've ever met! Carry that fire with you going forward and when you look back to see how far you've come, do it and smile knowing how blessed you were to spend your life with such a great person and your best friend! I know without a doubt Jason will be watching you and guiding you every step of the way. Apparently Heaven needed him now more than anyone on earth did. He must have more work to do! *hugs* to my friend- hopefully we can meet up again soon to share a hug, smile and laugh together. God's got it from here. Stephanie Guinn.<3

“ Wow, my heart goes out to all of Jason's family. I remember working with him and Deanna at Target - he always had a smile on his face. I kept reading the name in the obituaries thinking the name sounded familiar and then recognized him by that smile. He was an awesome young man with a huge heart and was always willing to help when needed. Our sympathy goes out to his and Deanna's family.

“ Deanna,
So glad I was able to spend a few days getting to know Jason when you brought him to our trade show in January. He had a smile that was contagious, and an upbeat attitude to match.
