“ *To the Uehling Family - Jeanette was already employed at the then Norfolk State Hospital when I started work there in late 1967 as the Human Resources Manager. She later worked at the Vet's Home and then returned to the Regional Center. I had some occasions to get to visit with her when we would see one another in the community and we were friends and would exchange greetings on Facebook.. Jeanette was a good employee and a nice person. All of you are in our thoughts and prayers.*
