“ After a family reunion Aunt Jeannie needed a ride back to her place
. Jerome and I had a red convertible with a turbo 5 speed. Had the
top down she hopped in the front seat and Jerome was driving
conservatively all of a sudden aunt Jeannie says is this all the faster
this thing will go. After that we showed her what the five speed turbo
could do she enjoyed it completely. Top down flying down the
highway big smile on her face.
