“ *Lue and I always admired Harold and Jennie, we stayed in their "cabin" in Dillon, I played golf with both of them and if I happened to beat him it was because he had a bout of diabetes that day. Jennie was always a gracious and caring person. My sympathy to her family. Ron Schermer.*

“ *Aunt Jennie was always very special to me. She was very sweet and was always glad to see us when we visited her. She would get out the card games and the dominoes when we came and she loved the competition -- she usually won too! She was really a good player in all of the games! We had a lot of fun with her and she will be missed....  
Our love and sympathy to all of her family and friends.

*“ My wonderful Aunt Jennie Schouten had a profound influence on my life when I worked in Denver for Uncle Harold during my college years. I became a part of their family, and Aunt Jennie has share her love with me and Carla for more than 50 years. So I want to say "thank you" to Aunt Jennie! I was able to talk with her on the phone just a couple of weeks ago, and with some difficulty she was still able to end her call with "Love you". I just want to end this note with "We love you, Aunt Jennie!"*
