“ My deepest condolences to the family; I'm so sorry to hear of her passing. I remember her as an intelligent, independent, and talented person when I knew her as a student in high school. She was the first person to join my speech team when I first started teaching at Plainview High School, and I was so grateful to have her join me--as together we were both novices, eager to learn and succeed. I'm thankful for those memories. God Bless her family as they grieve.

“ MANY prayers from the Monicas - I followed Jennifer's journey and battle with Cancer, over the years and she was a fighter and always beat it!! That gave me (and I'm sure many others) the strength to endure my/our struggles. I'm glad to have seen and spoken with Jennifer, at the last family reunion. We know you will stay strong Jerry. God bless you and your family. Love always, Michelle & Keith
