“ I am sorry for the loss of Jennifer in your lives here on earth. She was a very kind soul who I got to know at the Liberty Centre some years back. You will miss her and remember the good times that you had with her. On the day of her death, the Color Run took place in the morning. I missed seeing her there.

*With prayer, Sr. Ellen Marie*

“ One fond high school memory I have with Jennifer, we were sitting at the front Arby's tables on lunch from school, laughing till we were almost crying. I loved Jennifer. She was a great friend. She was briefly my roommate in Lincoln, one summer on college break, and she was the best! Funny and kind and laughter. I'm so fortunate to have known her, and I'm so sorry she's gone. I didn't keep in touch with anyone very well when I moved to California, so I certainly missed out on the rest of her wonderful friendship. Wishing all her family and friends peace and appreciation. I'm so sorry for your loss. Jennifer was a bright light, just wonderful. I always appreciated her.
