“ *My heart goes out to Uncle Joes family prayers to you all . Uncle Joe We didn't get to see each other a lot over the years , I have memories of my younger days when we would come to family gathering, it was a lot of us when the family did get together, over the years family's moved away and others had other things to do so we all drifted apart , One thing remains the same we are family always . RIP Uncle Joe we will see you on the other side ,*
