“ *I am truly sorry for your loss. I did not know her personally , but I used to try and seek her out at Walmart whenever I was ready to check out. I found it amazing how the little kindnesses that she freely extended would make my day. We were all fortunate to have made her aquaitance and she will be missed.*

“ I worked with Judy at Walmart. And she was our one cashier that never complained about being tired, cold, or when her break was! While on break she had the usual baggie of dissolvable popcorn and took no more than her 15 minutes! Her checkout lane was spotless every coupon in order per increment. They just don't make them like Judy anymore. She will seriously be missed.
