“ We were so sorry to read of Kandi's passing. Betty and I knew Kandi through working with her at the Norfolk Regional Center. I was the Human Resources Manager at the time of Kandi's hiring and through several years of her employment. Following our retirements, she invited us to NRC several times for a pot luck luncheon and we got the opportunity to visit with her and other current and former employees. We so appreciated her inviting us. Kandi was a good employee and an even better person. All of you are in our thoughts and prayers.

“ An angel called home! Her presence added warmth, hope & delight to all who came in contact with her. I am blessed to have been in her presence countless times. She was a light in a world of darkness. May her warmth, hope & delight shine through each of us making the world a little less dark, I think Kandi would appreciate that.
