“ I took care of Katie when she was in the 3rs grade and her dad was at work. Katie was always doing things to get me to laugh. I was re-aquainted with Katie while she was in high school and after high school. She was always smiling, polite, friendly, respectful and gave me her time. Katie was beautiful inside and out. She thanked God daily for her life, she kept it real and often said life was hard but keep pushing and it's worth it. She was a fighter and an inspiration. She turned to God, youth group, church and her faith helped many with their own spiritual walk. Katie, I love you, you are missed already. I am deeply saddened of your passing at such a young age, but I know you are home with our Lord. Keep an eye on us Katie, we all need you. Especially, take care of your dad, Keith, you are his everything. I love you, and will see you again. Jody Anderson
