“ *I met Katrina as a Para at the Senior High. I was retired from NECC 30 year employee doing para work to keep my sanity (maybe-maybe not). Katrina was very loving and caring of the students and others. Students went to Katrina as they knew she was well educated in all subjects. I saw Katrina at Faith Regional South building during Covid as her husband took her to lab, did not know if she recognized me, but went to her and spoke, she was very happy I did! I have included Katrina in my daily prayers, ever since I found out she was dealing with cancer for these last years. May she rest in peace in God's loving hands! Prayers to her whole family!*

“ *Katrina was a very caring woman. When I first met her I was a pregnant teenager. She took the time to throw me a baby shower so at least I could have similar experiences as other mothers. That was 15 years ago and I will never forget how much that act of kindness meant to me.*

*Sorry for the loss of your loved one. Your family is in my prayers.*
