“ I always considered Kenny as a friend in High School, we were both in the class of 1961. I shared this memory at almost every Class Reunion that I attended. We were in Mrs. Rakowski's class and were discussing the "tense" of words. She asked Kenny what the tense was for the word "sick". Kenny quickly responded, sick, sicker, and dead. We all got a laugh out of that and it was not unusual for Kenny to have humorous comments. He will be missed and remembered. Don Schreiner
