“ Our Heart and prayers go out to Kenny and the family, and friends of one of the best damn cousins one could ever ask for. When he came into a room things would come alive. One that would do anything for you. One who would tell you just what he thought with no hesitation. We will always remember all the fun times we had throughout the years. He will be missed by many but our memories of him will live forever in our hearts and in our minds. Yep the Good Lord got another GOOD ONE. Take care of him and hold him in the palm of your hand Lord. REST IN PEACE OUR DEAR FRIEND. ( twoje zdrowea. ) Kenny!

“ Kenny was one of a kind to say the least, I worked with him when i first started with nppd, he was a very kind , generous and fun person to be around he would always offer to share his lunch's he would packed with us and even taught us a few polish words{ not ones we should repeat though} i never seen him dirty or when his boots were not shined he took a lot of pride in that. I have a lot of fond memories of Kenny and i know you all do too and that makes it a little easier to get through your time of loss, may god bless all of you!

“ My sincere sympathy to Barb and family. I knew Kenny when I was young as a friend of my brother, and while he worked for Gerhold's. Very funny, always had a joke and a laugh. I'm sure you have plenty of wonderful memories to cherish.
