Bud was born November 20, 1923 on the family farm in Norfolk, the sixth child to John "Roy" and Margaret (Voss) Timperley. He joined the Marines in 1945 and was stationed in San Diego CA. Bud and Lucile Wiedeman exchanged vows on November 27, 1946 at the Methodist Church in Concordia, KS. After his discharge from the Marines, they made their home in Norfolk NE. Bud worked for the Chicago Northwestern Railroad for several years. Shortly after, Bud moved his family to Omaha, where he worked with Greyhound Bus Lines for 30 years. Bud was a 32nd degree Mason and a member for 50+ years of both the Masons and the Eastern Star. He was also a member of the American Legion, York Rite bodies, Knights Templar and Shriner's International. In Bud's younger years he enjoyed attending parades

and the Shrine Circus as a member of the motorcycle patrol. During those years he traveled extensively with the patrol throughout the mid-west and Canada supporting Shriner's Hospital. Bud was immensely proud of children and grand-children. They were not only the light of his life but his biggest supporters. His children and grandchildren loved to hear his stories, amazing true life stories. Bud was a major story teller, the family keeper of memories, dates, and happenings. “ To the Timperley Family:

Your father was a good friend of my late father, Paul Pryor (who died in August of 2013). They had worked together at Greyhound. On a Memorial Day weekend trip to Wisner with my mother a year or so after my father passed away (my mother was from Wisner and her parents are buried there), we stopped to visit with your Dad. He pulled out several photo albums and entertained us with wonderful stories of raising his family. He was a wonderful story teller and it was very apparent that family was extremely important to him. He was so proud of his kids and their families. I am sure he will be deeply missed.. My condolences and prayers are with you all.
Warmly,
Mary Kay O'Connor
