“ Kim was my best friend throughout Jr. High and High School. Unfortunately, as our lives took us in different directions, we lost contact. She crossed my mind many times over the years. I have so many good memories of her. Her house was my home away from home and her mom was my 2nd mom. I still smile when I think of her laughing at me, as she purposely ran past me on her horse, knowing mine would follow with a hard trot 😊. Same day their horse, Murph, hit their new truck putting a big dent in it. May she rest in peace 🙏 Prayers of comfort for her family during this difficult time 🙏
