Kim was born on September 14, 1961 to John and Carolyn (O'Connell) Buchholtz in Atkinson, NE. She attended and graduated from Madison High School in Madison, NE. After high school Kim was blessed with 4 children; Brandon, Robert, Chasity, and Jessica. While raising her kids Kim worked as a waitress at the Granary in Norfolk and the Home Instead. Years later she went back to school and received her associates degree from Central Community College. After receiving her degree, she began working at Metro Plumbing Heating and Air Conditioning as a secretary. She also worked at ESU 8 in Norfolk as a para.

Kim loved going on metal detecting adventures often finding special treasures. She enjoyed knitting, crocheting, baking, often trying new recipes, antiquing, taking road trips, bowling, and playing softball in her younger years. She

looked forward to the annual family camping trip, which included her greatest fishing story where she caught two fish with one pole. Her greatest enjoyment of life was spending time with her family and loved ones, especially her cat, "Bandit" and her dog, "Baby".

Kim wasn't afraid to express her love for the Lord and put her faith in the Lord at a young age. She trusted in the Lord and walked in faith until He called her home.

She is survived by her son Robert Ainsworth of Norfolk and his children Hailey and Hannah, daughter Chasity (Kyle) Henn of Norfolk and their children Knox and Rory, daughter Jessica Masters of West Point and her son Carter, sister Tracy (Rob) Backer of Battle Creek, brother Thomas (Bernadette) Buchholtz of Norfolk, and numerous nieces, nephews, cousins.

She is preceded in death by her son Brandon, parents John and Carolyn, step dad Wilburn Masters, and aunts and uncles.

“ Dear Family,

Gloria and I are very sorry to learn of Kim's passing. Kim was a wonderful student and great person as are all of the Buchholtz children. You are truly children of God and I am proud to say that I was your teacher. Kim's deep faith sustained her as it does all of you at this difficult time.

“ Of course we have many memories when we were kids. I am so thankful that I was able to come back and visit. The time when I brought Mom back as a surprise for your mom and you, Tracy and Tom were waiting in your mom’s bedroom when we arrived. It was later in the evening, but you were all there. That memory is priceless. There was not a dry eye in the room. Then the trip you and Tracy brought your mom Caroline to see my mom, Donna. I know that was a hard trip however it was a blessing at the same time. One more from many Jim and I met you all at a campground by Grand Island. The kids played violin and guitar we laughed. We ate and ate. Again we laughed and laughed. Special special times. And many more. You will be missed on this earth however are able to see lots of family members who have already gone home
