“ *Laura was nearly a second Mom to Julie Palic when we moved up the street in 1996. We had lived in the country in Hayes County so play friends were nil except for siblings and they were too old to want to play. Linda Kay was her best new- found friend that year and those two were at one house or the other.*

“ *Dear Cousins,
God will wrap his arms around you and sustain you with his love during this difficult time.
