“ *Lillian was one of my favorite Aunts. When i was going through Cemotherapy several times she sent me letters of encouragement always ending with "there is life after chemo". I also adopted two children and again, she was encouraging and supportive of me. Her personality reminded me of my Dad, Raymond -- Happy and easy going. Though miles kept me from being close to her, she will always hold a special place in my heart. May her soul rest in peace.*

“ *Could anyone not love Lil, anytime you would see her, her dark eyes and ready smile showed the true interest that she had in you. As for me, she was like a sister and our phone calls were a big thing with us. I also remember the many times we were together when our families were growing up. So Lil, until we meet again, I will be waiting for your next phone call, until then my love is with you.*
