“ *There will never be another Linda Krueger. I know cause I was with her for 26 years and there is no one on earth that can touch the gentleness and serenity as she could. She is so missed here at home and abroad that everyday I say hello sweetie how was your day and have you met any one new in heaven. Sire wish there was a phone in heaven so I could talk with you my love. It truly hurts to see a empty chair a cross from me but I know in my heart that you are home and doing just fine. Ill see you up in heaven after while so we can share all the memories one more time. I love you Lin don't ever forget that.*
