“ I am so saddened to hear of Lisa's passing. My hearts and prayers go out to her family and friends. I will miss her so much. Words can't express the heartache those so close to her are feeling. May we find comfort in knowing God has a plan for each of us and although we don't think it should be her time to leave us, God knows it is time. She has more to do in Heaven and will forever be watching over us. Please accept my sincere condolences and know Lisa will forever hold a place in my heart and memories! ~ Cadena Russell

Lisa will be missed very much around Liberty Centre. Her smile lit up a room and she could almost get anyone motivated to get up and go for a wellness walk. She always lit up when she talked about her dogs, you could really tell she loved animals. She was always there to help in anyway she could, she was much more than a staff member, she was a friend to all. I know we will all miss her very much but we have such many fond memories of her. I share my condolences with the family but please know she touched many people's lives and made a difference in this world. ~ Marla Godel

*To Lisa's family, I am so sorry for your loss. Lisa was a wonderful lady who brought you 4 brothers to District 20 where we had the opportunity to know your family. Lisa was so much more than a room mother or volunteer. She was willing to tackle any project and was so creative and generous. Most of the schools library books were labeled for AR due to her help. I remember her making Dr. Seuss edible hats out of gummy lifesavers for all the students. After the rural schools closed, I would see her at the college and get an update on her boys. She was proud of each of you. I agree, she really did make a difference in so many lives. With sympathy, Anne Darnall*
