“ Aunt Lois was a member of our family for over 40 years before she and Uncle Matt married. She told us the story of their first meeting and how she knew he was her one true love. While circumstances kept them from getting married for many years, Lois attended all the family weddings and celebrations. Finally when they were in their 60's they married and were like two teenage kids.....their love glowed from the inside out. In 1993 she and Uncle Matt came to LaGrange for the Luebbers family reunion. John and I picked them up at the airport and they stayed with us. We became such good friends and even after Uncle Matt passed away we saw Lois yearly for over 20 years and talked on the phone often. The highlight our of yearly trip through Nebraska was to stop and see Aunt Lois. She had the cutest "giggle" and always had dessert!!!! Her faith and undying love through the years was an inspiration for us all. God Bless you, you will be missed but not forgotten. Love Cheri and John Honeycutt

“ Growing up next door to Lois, she was like a second mother to myself and my siblings, I'll never forget the time she ran over because she heard quit a bit of commotion and said..."You kids fightin again" Ha, for once we actually were not fighting and just excited because I had found something Becky had lost. We were so happy for Lois when she walked down the isle to say "I Do" to the love of her life. It wasn't that long ago during our last visit that she so enjoyed talking about Matt. Rest in Peace Lois, you will be missed.
