“ I worked at DHHS with Lori, not in the same unit, but in the same building. Lori was one of the kindest souls I have ever come across. She always wore a smile that was absolutely contagious. Lori always made time to say, check on how you were doing. Zach, you don't know me, but I know a lot about you. You were everything to your Mom. She was so proud of you. She will be with you always, as I'm sure she will be your guardian angel.

“ I knew Lori for about 20 years. She was a very very kind person. Not many people can match her kindness. She loved being a friend to people and enjoying her life with her son Zach. She was pregnant when i first got to know her. Zach has been the highlight of her life and gave her many wonderful moments. She was so very proud of him. She will be watching from Heaven with a smile on her face. Love you Lori. Thank you for trying to make the world a better place.
