“ We were so sorry to read of LuAnn's passing. Betty and I both knew her through our employment with the Norfolk Regional Center. I was the Human Resources Manager and was involved with LuAnn's hiring in 1990 and Betty had contacts with her as she worked in Health Information Management. After our retirements in 1997, we would see and visit with LuAnn when we would see her walking at the Sunset Plaza. She was an excellent employee and an even better person. All of you are in our thoughts and prayers.
