“ *Dear Paul and family,\r\nWe were so shocked to hear about Lynette. Rod and I just spoke of her last week! I was a new Rn at Plainview hospital in 1986 and attribute her to helping show me the ropes as a night nurse. We had many good times and I remember with a light heart the talks about the pickle farm!! She loved you all and spoke so highly of her family! She will be so missed and heaven has gained a very special angel! Praying for comfort..\r\n\r\nRod and Carol Triplett###imported-begin###Rod and Carol Triplett###imported-end##*
