“ We lost a beautiful person but Heaven gained a beautiful and kind soul! Her strength, her unfailing FAITH in love, Jesus and her Family is how I think of her and will remember her forever! I remember her most as always being excited to see me, she always made me feel welcome, comfortable and special! I remember her as always being a very "well put together lady" she was always dressed nice, hair done, very lady like. Amazing cook! I also remember her as being a great daughter, she and Uncle Bob would bring Grandma and Grandpa out to Colorado to see us and without them doing that, we would not have been able to spend as much time with our Grandparents. I always knew that when they were coming out-we were getting watermelon for dessert!! They picked out the BEST watermelon!! My Dad, would talk about Margie being like a 2nd mother to him and how she was responsible for so much but always did it with a loving heart! As a kid I loved going to garage sales with Aunt Margie and Uncle Bob-good times and now memories! She leaves behind a beautiful legacy, family and a "true" testament to FAITH and how we are to live our lives! I have nothing but the warmest and fondest memories of you Aunt Margie, I know where you are and I know I will see you again!! Love you! ~Heather
