“ *I am deeply saddened by the passing of my beloved sister Marion. We were both so lucky to have been adopted at a young age by our wonderful parents Adam & Gladys Hohnstein. Marion always had a kind heart and a generous spirit to the many people she met and called her friends throughout her life. Ruth & I know that her family is surrounded by peace and love at this difficult time. Marion, until we meet again you will always be truly missed by the both of us and by all of your friends and family who knew you!*
