“ *Aunt Marylin, I celebrate your life today with knowing for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. I find comfort in knowing that my life has been enriched by having shared my time on this earth with a person who's life was a blessing. Your memory will always be a treasure to me, and a memory that will also be missed. I could always look forward to that Birthday Wish in the mail every year. Rhonda and I were also thankful for your blessing you would send every year for our Anniversary. I always looked forward to the trip to Aunt Marylins for the great Thanksgiving meal you prepared, including the sweet potatoes, and pickled herring! How lucky I am to have two Aunts, that are so great, that saying goodbye was, and always will be so hard!*

All Our Love, Craig n Rhonda Warneke

“ Love You Aunt Marylin! Always could depend on your birthday wishes, and anniversary wishes. You never missed one! Always looked forward to the wonderful Thanksgiving meal you prepared for the whole family, and would almost have to be wrestled down by Marcia to get you to set down and enjoy it with us. Sweet Potatoes, and pickled Herring. Will never forget the view burned in my head when I walked into the kitchen at Mardell where You, Mardell, and Grandma were preparing the Rocky Mountain Oyster meal! Thought it was an operating room. Happy for you that the suffering is over, and I will celebrate your life, and how great a person you were.
