“ *I was the Human Resources Manager at the Norfolk Regional Center during Marg's employment there. In addition, for a period of time, I also had administrative oversight over the laundry, housekeeping and switchboard departments. Thus, I had a lot of conversations and visits with Marge over the years. She was always pleasant, a good employee and an even better person. I always have considered her to be a good friend as well as a co-worker. All of you are in my thoughts and prayers.*
