“ *My sympathy to Lavon's family. I never had the pleasure of knowing her, but my mother Mildren (Blunck) Reisz was a cousin to Lavon's late husband, Kenneth.*

“ *Dear Sharon and Jeff but especially Sharon, I am so sorry about the loss of your Mom. I know very how difficult it is to lose one's Mother. It is so hard, Mom's are special and I know your Mom was so special. And I know you are going to miss her so very much. But I want you to know that I will be praying for you and your family, Sharon. “ Dear Roger, Diane, Dan and Sharon and your families.
Your mother was my cousin on the Fred Petersen side. I spent a fun summer in Plainview with my aunts Marjorie and Marie when I was an early teen, and I also stayed at your parents farm a bit doing some "babysitting" with Roger and Diane.
Through the years we cousins connected now and then. Your mom was fun. I remember she related a story about one summer when the Zucchini harvest was bountiful, no one dared leave their car unlocked for fear when they returned, it would be full of those green squashes. I saw Lavon last in 2009 when Patty brought her to my brother's home in Missouri for a Petersen/Piveral reunion. Sharon and Family also attended.
We wish you all the best memories of good times with your mother/grandmother. We have sent a donation to the National Kidney Foundation in her memory.

To the family of Lavon - We are so sorry for the loss of your mother/grandmother. We feel very fortunate to have spent some enjoyable time visiting with her in Nebraska especially during these years as we have all grown older. Also, I, Marjorie Marie, have been able to connect with her by telephone several times during this crazy year. We wish you peace and all good memories as you remember you mother/grandmother. We, the entire Ulmer family, have made a donation to the National Kidney Foundation in her memory.
