“ Mary Ann and her parents were such a special part of my family growing up--we would spend Christmas Eve at "Grandma Max's" house with my Grandpa Swede and Grandma Helen, my parents Jim & Karen Nelson, my sisters Beth and Lori and my aunt & uncle, Garry & Meledene Nelson and their kids....and continued going there even after my Grandma Helen passed away. Mary Ann came to my parents' funerals and it was so good to see her. I am so sorry for your loss. Your family held a very special place in the hearts of my family. It came as a shock to me when I learned of Mary Ann's passing. My deepest sympathy to your family.

“ I sure couldn't have asked for a better neighbor growing up! Having Brandy as your best friend meant you also got to see Mary Ann often, almost like a second mom. Oh did she have some fun stuff for us to look at, learn about, play with! Her rummage sales were the best. My favorite memory is when she would let Brandy, Becky, and I play with the can-can skirts she managed to pick up, probably at an estate sale or something. When she was room mothers at our grade school with my mom, they made the best treats, more creative and fun than any other. She always had a hug and a smile and more patience than most I have ever known. Brandy I am thinking of you, and pray that your family finds comfort during this time.
