“ *I was sorry to read of Mary Ann's death. I was the Human Resources Manager at the Regional Center during much of Mary Ann's career there. I also knew Delbert. For a period of time during her tenure as Housekeeping Supervisor, I was also her immediate supervisor. She was a good and compassionate supervisor and a good employee. I considered her a friend as well as a co-worker. You all are in my thoughts and prayers at this time.##imported-begin##Don Dammast##imported-end##*
