“ *Mary Lou and I shared a lot of lifelong memories. We have known each other for 42 years. Mary Lou has always been the spark in everyone's eyes, the sweetest, funniest, little shit I have had the pleasure of knowing. Mary Lou was like a sister to me, we would talk on the phone for hours solving the problems of the world but actually not solving nothing except laughing all the time. I am going to miss you my dear friend and sister. Rest in peace, I love you with all of my heart ❤️*

*Love, Trish/Aunt Pat*
