“ I am thinking about you, especially today. I offer my sincerest condolences to all of my cousins. Your mother was a truly wonderful person, and it's always been hard living so far apart from one another. Whenever we did have the chance to visit Norfolk, it was special. I have fond memories of the time we spent together as a family. Your mother always made a special effort to organize gatherings for us all to enjoy. Please know that you are all in my thoughts and prayers, and I am especially thinking of you during this difficult time.
