“ I'm so sorry to hear of the loss of your daughter. No parent should ever have to lose a child.

In 1988 then-President Ronald Reagan stated his feelings on the impact this loss is in life: "A wife who loses a husband is called a widow. A husband who loses a wife is called a widower. A child who loses his parents is called an orphan. There is no word for a parent who loses a child. That's how awful the loss is."

*My prayers are with your family for healing and strength.
God Bless.*
