“ *Myron, known to me as the Papa, was the father I always wished I had. He always took me under his wing and considered me a close friend of the family. The Papa always had a wit about him. My fondest memories was taking a cruise with him and Bette (the Mama). I will really miss him. He was a wonderful man. My sincere condolences to Brad, Byron, Brenda and Bette.*

*The Papa went 'home', and while he lost his battle on Earth, he really won the battle. He now can look down on all of us as our guardian angel and with a big smile.*

*God bless

“ *We remember Mike as the "corn hauler" we saw at the Wisner Elevator, and we remember the good times we had together in the past. Mike kept us well supplied with corn. He was dependable, and we looked forward to his daily deliveries.*

*We send our sympathy to his family and friends.*
