“ So many treasured memories of our adventures in your little Rambler during our high school days. We did have such fun. Godspeed dear friend, until we meet again!

“ Pam and I so many fun memories back in highschool at good all BHS! Driving around town or driving around Knox county and even to and from Norfolk when we both headed off to further our schooling. We had some crazy adventures and so many good laughs back then including her teaching me how to do cookies down by the Bloomfield livestock corner when it was Icey! Oh the things we did. Will love and cherish those memories! I am glad for social media and the ability's to try-connect the last few years so we could reconnect and revisit and go down memory lane a few times. We are so sorry for your loss Megan and Phyllis and Jo Ann and family. Sure will miss her spunk! Cindy Sage

“ *I have the best childhood memories of my many neighborhood friends growing up in Bloomfield. We lived just down the hill from Mr & Mrs Stewart. Joanna and Pamela were among my best and treasured friends in the neighborhood growing up. My sincere sympathy to her family, her mother and sister. God's Blessings, peace, comfort in now and in the days ahead.*
