Paul handled every case and every issue with grace and patience, he was the consummate professional. He will truly be missed.*

“ Before we had the chance to congratulate the newly married couple, we now offer our sincere condolences to Paul's wife and family. We will miss seeing Paul in the 'hood'...busy with his favorite pasttimes. Paul was a pleasant and quiet neighbor who will be missed. Our loss is that we had not yet connected with, and enjoyed, more of his personality traits. May Peace, Comfort and Understanding be showered upon the entire family at this time.

“ Paul Sharon I have known since 1996. He was only to helpful to explain in detail and get you a real answer. He always presented himself not just professionally, but with concerns for meeting your needs. I don't know anyone today in the Insurance world that feels the need or desire to do that. Paul's life will be missed on this earth, but I expect to see Him again in Heaven one day, because the patience and concern he showed is not man kinds normal sentiments, but more of a spiritual endeavor on his part.
