“ *So sorry to see Paul's passing. We had great times playing softball together many years ago. It was always good to see Paul whenever I got back to Norfolk. May his passing be a blessing with the many good memories. My prayers and thoughts are with everyone in his family during this time as you learn to live each day without his presence.*

“ Paul was always a good friend to Roger and I. Always remember Paul at coffee break at the Daily News. he always used his exacto knife to pick up his chocolate wafer bar and we would all say don't do that. He would laugh. Roger and Paul are probably bowling up a storm. Condolences to all. Karen Casselman

“ *Dorla and family: I consider it one of my great privileges to have worked with Paul for so many years at the Daily News and be a fellow congregation member at Grace Lutheran until we moved this summer to the Denver area. I'll remember numerous conversations with him and how he always had a sense of humor that he wasn't hesitant to share with others. More importantly, he was a man of great faith, and that came through in his words and deeds. Our thoughts and prayers are with the entire family as you mourn his passing but rejoice in the knowledge that he is now with his Savior in heaven. -- Kent and Susan Warneke, Aurora, CO*
