“ *My sincere sympathy to Peggy's family. I knew Peggy as a fellow Girl Scout Leader. We both have had "green blood" for a long time. She was an awesome example of "courage, confidence, and character." Sometimes she was a real character :)....we all loved her. I am not from her service unit, but one a little southeast. We saw each other at adult meetings. I always enjoyed being at her table. Again, my sympathy. Terri Hoeneeman (Logan View Girl Scouts...leader for 42 years).*

“ After returning from a Girl Scout meeting Peggy bursts in the back door from the garage I can hear the big door shutting as she very rapidly unloaded whatever she was carrying including her purse. She loudly proclaims THE CAR IS ON FIRE I casually stroll past her in the kitchen move to the back door look out the window you couldn't see three feet so I loudly proclaim WELL ITS A GOOD THING YOU PARKED IT IN THE GARAGE she's like shut up and go look at it, lol turns out it was a head gasket already under a warranty recall.
