“ *Preston was always the first one to offer help with our Woodland Park fun days! All of his siblings were so willing to help on the bounce houses or keep other kids in line so I didn't have to stand over them giving them directions. I will miss him so much and the smile that he always gave you! RIP kiddo and watch over all of us who are hurting a whole heck of a lot right now. I hope that heaven is treating you so well and you have gotten to meet up with your grandparents!*
