“ *I first meet Randy while working in maintenance at IBP. He was always a great help when I needed supplies. Later I had the privilege to meet with him occasionally while I was delivering supplies to Tyson's. We always had time to visit and catch up on what we were doing. He was a great friend and will be greatly missed. I won't say goodbye because that is too final. I'll say "see you later ". RIP and Godspeed brother.*
