“ The last family outing we all had together was going to Yankton. We rode go-carts, played mini golf, the kids even got to drive their own little go-carts and rode on the train. The kids all had a blast and us adults enjoyed spending the day together. Later we lit fireworks off at Becky's house. She gave us bracelets that were supposed to repel the mosquitoes since we forgot our bug spray. Our family will miss days like that, spent in the sun or playing in bounce houses or going to Big Foot Conferences! Becky was always so thoughtful, inquisitive and had a smile on her face. But most of all she was a great mom.

“ My family and I are heartbroken over this unexpected loss, but so grateful that we got the chance to get to know and make so many wonderful memories with such a genuinely kind and caring person. The world is definitely a little less bright with the loss of Becky and Liam, and my thoughts and prayers are with all of their friends and family during this difficult time.

“ *I will always remember Becky as a very cheerful person. When I worked at Walmart in Norfolk she always made the effort to stop and say hello. She was always friendly and never had a bad word to say about anybody.....*
