“ So sorry to hear about Big Rich. May God wrap His loving arms around Rich and comfort his family. I had the pleasure of knowing Rich from working at Nucor. There are a few stories I could tell but I will just keep it to one. After a 3-11 shift a few of us went to Hadar to have a couple drinks. I kept on bothering him to let me ride his Harley and he said that I couldn't handle it. After a while he yelled hey kid and threw me the keys and said if I could start it I could take it for a ride. I'm sorry that I can't make it Saturday, I will be of of the state. What presence he made in his life will be remembered by many. Rest in peace Big Rich.
