“ *RIP Bob, you will be greatly missed. Joel and I enjoyed having you as a friend. You were always so happy and such a good heart, always willing to help others. Enjoyed bowling and playing cards with you. Always enjoyed listening to all the talks about Norfolk wrestling and all other sports trivia you wanted to share. Will miss your smiling face and all around good humor. You always made everyone laugh. Hope you are doing all the fun things you enjoyed here on earth up there in those beautiful clouds as we know as the kingdom of heaven.*

“ *Very sad news. RIP Cousin Bob, my thoughts are with all the family and friends he inspired and Loved. At one point in my life, he was my hero. I wanted to be just like him. Life takes us down different roads. Sadly that road ends for all of us. Certainly way, way to soon. My condolences to all.*
