“ *I was 13 yrs old and had damaged my fingers in a farm machinery accident in October of 1957 and your dad treated me. He was so kind and caring that I never forgot him. When I look at my damaged fingers I'll always remember him. Terry Johnson New Braunfels TX*

“ *Julie; So very sorry for the loss of your Dad. He was special, always learning new things like chess and wine and whatever tickled his fancy. He was a very special part of my experience at NRC. There was only one Doc. Blessings to you and your family.*

“ *Both Doc and Isolde were quite the duo! Their presence at all the runs in the area was such fun and support. Their friendly attitude and encouragement is a fond memory. Because of their example we've adopted four greyhounds over the years. They loaned us books so we'd know what we needed to do. He was an educator to the core! Her warm smile lit up the room! We did get over to the Vet's home only once to visit with them and so glad we did.*

“ Julie, Bill & the Cutshall family - We were sorry to read of Roger's passing. He was a co-worker for many years and I enjoyed working with him. In years past, it seemed like we would run into your mom and him some times when we would be eating at Culver's. I did get the opportunity to have a nice visit with him and your mom when we were at the Vet's Home visiting a former neighbor some time ago. All of you are in our thoughts and prayers.

“ The Sok family would like to extend our sympathies to all members of the Cutshall family. So many wonderful times/memories over the years. Josh and Andrew are especially thankful for the many wrestling trips that Doc took them on. I truly enjoyed our philosophical conversations over those years ranging from wrestling and bird watching to gardening and life in general. Please know that our prayers are with all of you. Dear Julie and Bill, as well as all the family of Doc's. I cannot express the depth of my sadness about both his and your Mother's deaths. I admired and enjoyed them each so much. Your Dad taught me so very much, and your Mom was a delight to be around. I really enjoyed them at Hilary's wedding especially, and of course at Linda's Birthday party. I feel blessed to have known them and to know you two also. Anne L.
