“ *I send my condolences to Rollie's family, especially Ron and Janna Fister family. I got to know Rollie when I worked at Montessori School. He was a kind man and an easy-to-talk-to man and we shared many a good conversation about family and life in general. He obviously loved his family very much. I am happy I was able to call Rollie a friend and hope he felt the same about me. I know he is in heaven watching over his family and at peace now.*
